# dress down day

Friday 8 July 2011

Dress up, Dress down and get to work doing something for your local Hospice!

Whether its fancy dress, designer gear or chilling in your cool beachwear - wear it to work and help us raise funds.

Just make a donation in return for wearing whatever you want for the day. Every penny you raise will make a vital contribution towards helping local people and their families coping with the challenges of living with a progressive illness.

So leave the suit, overalls or uniform at home, put on your sunglasses and help Katharine House.
