

# Here to help you

**Call us 24/7 on 01785 270832  
for expert palliative care advice**

**We can help you manage  
symptoms of:**

- heart, lung, kidney or liver failure
- multiple sclerosis
- motor neurone disease
- progressive supranuclear palsy, PSP
- other progressive neurological conditions
- lymphoedema
- cancer and other incurable illnesses

**Ask your  
doctor to refer  
you to us**

Our care includes tailored help, drop-in social groups, counselling, carer and family support, advance care planning and a wide range of therapy and wellbeing services including relaxation, seated yoga and massage.

You can access our specialist palliative and end-of-life care at home or at our inpatient unit.
